

## HEADER KIT CHART FOR JOHN DEERE COMBINES EQUIPPED WITH A HILCO LEVELING SYSTEM

Locate the header in the left most column of the chart, then follow that row across to the column that matches the leveling system model number. The complete header kit part number includes the proper drivelines, the driveline part number is given for identification purposes only. The number in brackets preceding the driveline part number is the required quantity of drivelines for the header in question. Please refer to the Hilco Driveline Identification Charts for more information regarding Hilco drivelines.
