

HILLCO AIR FLOW SYSTEMS

FOR CASE-IH & NEW HOLLAND TRACTORS

Hillco Air Flow Systems will extend the life of your tractor's air filter in dusty and dirty conditions. The self-cleaning design requires no maintenance and will reduce the amount of dirt entering your tractor's air filter. Contact Hillco or your local Case-IH or New Holland dealer for more information.

Benefits of a Hillco Air Flow System

- ▶ Extended Air Filter Life
- ▶ Reduced Downtime
- ▶ Increased Engine Life
- ▶ Increased Fuel Efficiency
- ▶ Simple and Quick Installation
- ▶ Maintenance Free
- ▶ Water Tight Design

The engine draws air causing the impeller in the pre-cleaner to spin. The centrifugal force of the spinning impeller expels the heavy "dirty" particles out of the discharge louver. The clean air then enters the intake.

Case-IH Tractor Models		Hillco Kit Part Numbers				
		1353082	1352571	1335382	1328652	1329902
